Writing/Word Recognition

Character Building Blocks

We will discuss the water cycle by using words such as evaporation, condensation and precipitation.	We will discuss the different types of water and learn about oceans, lakes, rivers and streams, listen to our heart beat.	We will discuss where bunnies and chicks come from, where they live, and we will dye a carnation.	We will dye Easter eggs, make Easter cookies, mix colors to see what happens and check on our class plant
We will work on our wall chart to identify consonants and vowels, also identify letter sounds and match the sound to a picture.	We will learn our new sight word "Jump", make a list of letter J words, use our wall chart to organize letter J words, and match letter J sounds.	We will make a list of letter C words, work on our wall chart to identify letter C sounds, and work with beginning sounds.	We will read "Happy Easter Mr. Mouse", "What is Easter", "Nancy's Easter", "The Best Thing About Easter" and free book Friday!
Using our number wall and number shapes we will identify numbers and the grouping that go with them.	We will learn about a square, count the sides, corners and discuss if the sides are the same or different lengths, make an eye color chart.	We will use cookie cutters to match, letter C tracing cards, and work on our number recognition.	Jelly Bean Color Match, count the ducks in the pond, work on sequence, and match Easter eggs.
We will stretch to the sky, pretend to be rain falling from the sky, jumping jacks, karate and end the week with yoga.	We will stretch to prepare for the week, play outside, go on a nature walk, and relax with yoga.	We will do morning stretches, neck rolls, egg races, "Bunny, Bunny, Chick!" and yoga!	We will balance an Easter egg, go "fishing" for Easter eggs, Egg Hop, and egg toss!
We will make puffy clouds, sun paintings with shapes, a die cut rain scene and show our creative side with free art.	We will decorate a plate face, little people, collage of our pictures, a picture frame and a collage of things we like.	We will make cinnamon bears, Chinese lanterns, cereal rainbows and show our creative side with free art!	We will work with pink and yellow puffy paint, egg people, flower collage, and show our creative side with free art!
We will discuss the importance of using nice words, and go over examples of nice words vs. mean words.	We will discuss feelings, why it is important to tell others how we are feelings, why it is important to make sure all of our friends are happy and how to say our feelings.	We will discuss washing our hands, using forks, cleaning our faces after eating, not eating food off the floor, and review our manner cards	We will discuss how to behave when we are at a family members house, review our manner cards, and practice cleaning up after ourselves.
We will learn how to say "rain" in Spanish "lluvia", French "pluie", German "regen" and Chinese "yu".	We will discuss our families, who is in our families, why we love our families and how we can help our families.	We will learn how to say bunny in Spanish "Conejito", French "Lapin", German "Hase", Japanese "Bani".	We will learn how to say egg in Spanish "Huevo", French "oeuf", German "ei", and Japanese "tamago".
We will trace our names, sand tracing, and retrace the letters that we have learned.	We will trace our names, upper and lower case letter J, and a square.	We will trace our names, upper and lower case letter C.	We will trace our names and work on stroke practices such as slant, straight lines and curves.
This week we will work on having patience	This week we will share with our friends	This week we will learn about responsibility	This week we will work on teamwork with our friends
