Week 2

Week 3

Black  
 Week 4

Science & Nature

We will make our own shadows, make a safety chart, make sun dials, do watch it melt experiment, and go outside and learn about the sun!

We will be weather watchers, make weather graphs, charts, and even our own weather station!

We will explore outside, find items from or list and examine them, determine living and non living plants, and animals.

We will be making rainbow sun catchers, make a rose garden of our own, and learn about planting.

Cognitive and Math

We will do our basic subtraction with numbers 1-10 without using our counting cubes!

Review our basic addition and subtraction problems with multiple problems increasing daily.

We will start counting by 5's and get ready to start telling time! Determine the names of the clock pieces. i.e.: face, minute hand, hour hand, second marks.

Continue counting by 5's, and we will start working on telling time to the hour!

Fun Fitness

We will do leg lifts, left to right stretches, follow the leader, amazing athletes, and karaoke.

We will do wonderful wiggles, we will wobble and waddle like a penguin, amazing athletes and karate!

We will play opposite Simon says, play under and over, and play outside on the playground!

We will have a class relay race, run as fast as we can, hop like a rabbit, and even try to jump rope!

Creative Sides

We will Color Ms. L, make loveable love bugs, groundhog art, create a sunshine mobile, and create Ms. L links!

We will color Ms. W, decorate our Valentine's Day boxes, make a giant weather wheel, and finish our Valentine's Day art!

We will color Mr. O, make an opposite book with the whole class, make oceans in a bottle, and paint our own collages!

We will color Mr. R, make our very own rainbow ribbons, create a rose garden like Mr. R, and start our March projects!

Life Skills/Manners

We will discuss the meaning of love, and how love can affect us. Discuss cupid, and Valentine's Day.

We watch our letter people at the work it out table and discuss why talking to work out each situation is our best option.

We will discuss ocean and water safety. Using our inside voices inside, and not using our outside voices inside!

We will talk about respect, and what it means to respect, and disrespect. Use examples and have children determine the difference.

Social Studies/Family

We will continue our 50 state packets, review our first 5 presidents, and locate our first 5 states on the map!

Continue with our 50 states packets, review our first 5 presidents, and review where the first 5 states are located. We will watch the smart board about the presidents!

Continue with or 50 states packets, learn our next 5 presidents, and locate our next 5 states on the map!

Continue with our 50 states packets, learn our next 5 presidents, and locate our next 5 states on the map!

Land of The Letter People

We will meet Ms. L and her longest laugh, take a look through her lunchbox and see what we can find!

We will meet Ms. W and learn about her wonderful weather words.

This week we will meet Mr. O, and explore opposites! Mr. O is a letter light, because vowels light the way to words!

We will meet Mr. R and his rainbow ribbons. We will examine his rosey red roses, and explore his ranch for letter R's.

Character Building Blocks

We will learn what it means to trust our friends

We will discuss what generosity means

We will discuss what it means to be polite

We will be working on being honest and telling the truth
